AFCEA International, established in 1946, is a non-profit organization serving its members by providing a forum for the ethical exchange of information, and dedicated to increasing knowledge through the exploration of issues relevant to its members in information technology, communications and electronics for the defense, homeland security and intelligence communities. Visit AFCEA in booth 1825 where we will be featuring *SIGNAL* Magazine, AFCEA International's journal. Stop by for your FREE copy and learn more about the Association.

AFCEA Membership Information:
www.afcea.org
Telephone: (800) 336-4583, ext. 6158 or (703) 631-6158

The U.S. Naval Institute, founded in 1873, is an independent forum for those who dare to read, think, speak, and write to advance the professional, literary, and scientific understanding of sea power and other issues critical to global security. Membership in the Naval Institute ensures that it carries on its vital mission as The Independent Forum of the Sea Services – a place where free and independent debate may flourish. Visit booth 2225 to learn about membership opportunities, and to meet authors who will inscribe your books.
